How to summoning jutsu

View source Bio: The Strongest Taijutsu User Might Guy (マイト・ガイ, Maito Gai) is a jōnin of Konohagakure. A master of taijutsu, Guy leads and passes his wisdom to the members of Team Guy. Might Guy is 12th character in the Naruto Roster. Moves Gif of Guy using Nunchaku Nunchaku : Might Guy raises his Nunchaku into the air, as he rapidly hits them with a attacks. After that might guy will do another barrage knocking the opponent away at the end. Properties: Blockable | Damage: 43 | Cooldown: 20 Seconds | Aggressive, Multi-Hit, Knockback, Combo Finisher | Range: 9.5 Studs, Orange Range | Melee Gif of Guy using Severe Hurricane Severe Hurricane: Might Guy does a quick pose before he spin kicks towards his opponents knocking them into the air. Properties: Guardbreak | Damage: 25 | Cooldown: 15 Seconds | Aggressive, Knockback, Combo Finisher | Range: 3.5 studs, Red Range | Melee Gif of Guy using Dynamic Entry Dynamic Entry: Might Guy jumps and performs a kick in midair into the opponent's face. Properties: Blockable | Damage: 20 | Cooldown: 15 Seconds | Aggressive, Combo Starter, Combo Extender | Range: 9 Studs, Orange Range | Melee Gif of Guy using Flip Kick Gif of Might Guy using "Flip Kick" as an evasive Flip Kick: Might Guy jumps into the air and flip kicks his opponents head, smashing them to the ground. This also functions as an evasive where he performs the Substitution Jutsu swaps places with a log as he quickly performs the flip kick on opponents after. Properties: Blockable | Damage: 20 (10 if used as an evasive) | Cooldown: 20 Seconds | Aggressive, I-Frames, Slam Down, Combo Starter | Range: 1 Stud, Red Range | Evasive First Gate: Gate of Opening/Second Gate: Gate of Healing (Transformation) Gate of Opening/Healing - Guy activates the 1st gate giving a faint white aura around him increasing his speed. Filling up the bar while this mode is active has Guy activates the 2nd gate making the white aura more visible. Gif of Guy using Primary Lotus Primary Lotus : Guy kicks his opponent upwards & teleports to them to throw them down in a spinning motion head first. Note: This move replaces Severe Hurricane. Note 2: This move's hitbox is bigger than it looks. Properties: Guardbreak | Damage: 30 (5 initial, 25 for down slam) | Cooldown: 18 Seconds | Aggressive, I-Frames, Slam Down, Combo Extender | Range: 1 Stud, Red Range | Grab Third Gate: Gate of Life/Fourth Gate: Gate of Pain (Transformation) Gate of Life/Pain - With the 2nd gate activated, Guy activates the 3rd gate spiking up his hair, giving him red skin, adding a trail effect on his eyes, and giving him green aura increasing his speed. Filling up the bar while this mode is active has Guy activate the 4th gate making the green aura more faint.. Gif of Guy using Hidden Lotus Hidden Lotus : Guy dashes forward with leaves surrounding him before kicking his opponent into the air before continously striking them from multiple directions before slamming them down to the floor. Note: This move replaces Nunchaku Properties: Blockable | Damage: 35 (5 per hit) | Cooldown: 20 Seconds | Aggressive, I-frames, Slam Down, Knockback, Combo Finisher | Range: 7 Studs, Red Range | Grab Fifth Gate: Gate of Limit (Transformation) Gate of Limit - With the 4th gate activated, Guy activates the 5th gate making his aura yellow, increasing his speed. Gif of Guy using Summoning Jutsu Summoning Jutsu: Guy summons his turtle to propel him at his opponent at high speeds slamming them to the ground. Properties: Blockable | Damage: 40 | Cooldown: 16 Seconds | Aggressive, Slam Down, Combo Finisher | Range: 11 Studs, Orange Range | Melee Sixth Gate: Gate of View (Transformation) Gate of View - With the 5th gate activated, Guy activates the 6th gate changing his aura back into a faint green aura, increasing his speed. Alternatively if the red mode bar is filled all the way at any point before this mode Guy will skip to this gate instead. Gif of Guy using Asakujaku Asakujaku : Guy kicks his opponent into the air & then barrages them midair with punches so fast that the afterimages of his fists resemble fire balls before slamming them to the ground. Properties: Guardbreak | Damage: 40 | Cooldown: 16 Seconds | Aggressive, I-Frames, Slam Down, Multi-Hit, Combo Finisher | Range: 1 Stud, Red Range | Grab Seventh Gate: Gate of Wonder (Transformation) Gate of Wonder - With the 6th gate activated, Guy activates the 7th gate making his aura blue, increasing his speed. Gif of Guy using Hirudora Hirudora: Guy punches forward extremely fast which releases an air compressed blast shaped like a tiger at his opponents smashing them to the ground. Properties: Guardbreak | Damage: 50 (12.5 if blocked) | Cooldown: 17 Seconds | Aggressive, Auto-Aim, Tracking, Slam Down, Combo Finisher | Range: 50+ Studs | Projectile Eight Gate: Gate of Death (Transformation) Gate of Death - With the 7th gate activated, Guy activates the 8th and final gate making his hair & aura crimson, his skin darken to a light brown color, and his heated blood streams all around his body drastically increasing his speed. Might Guy will lose HP when this gate is active, but will not die to it. Gif of Guy using "Night Guy" Night Guy : Guy crouches forward while creating a crimson dragon like aura around him. Afterwards Guy kicks forward launching the dragon forward, smashing anyone hit to the ground. Note: This mode replaces Summoning Jutsu Note 2: The theme that plays is Naruto OST - Fourth Hokage Properties: Guardbreak | Damage: 500 (125 if blocked) | Cooldown: One-time-use | Aggressive, I-Frames, Auto-Aim, Tracking, Slam Down, AoE | Range: 12 Studs, Orange Range | Melee Gif of Guy using "Evening Elephant" Evening Elephant: Guy punches forward at his opponent so fast it'll create an air blast afterwards before dash punching 4 times after each one faster than the last with the final punch knocking his opponent back. Note: This move replaces Flip Kick Note 2: This takes 10 HP from Might Guy Properties: Bypasses Block | Damage: 50 (10 per hit, 5 hits) | Cooldown: 20 | Aggressive, I-Frames, Knockback, Multi-Hit, Combo Finisher | Range: 12 Studs, Orange Range | Grab Combos (Base and Awakening) Demostration of Combo 1 Combo 1: 4 M1s + Flip Kick + 4 M1s + Nunchaku Demostration of Combo 2 Combo 2: 3 M1s + Lift into the air (Space + M1) + Ladder (Slam Down) + Hidden Lotus + Summoning Justu Demostration of Combo 3 Combo 3: 3 M1s + Lift into the air (Space + M1) + Ladder + Asakujaku + Evening Elephant Tips and Tricks You need 41 Damage for the 1st gate. (Note: If you use Nunchaku it'll take 61 damage) Trivia Until August 26th, 2021 when Might Guy was confirmed, the Naruto roster didn't have a new character for over 326 days. Making this the longest hiatus in ABA history. Might Guy has 6 moves with I-Frames, making him the character with the most I-Frames. Might Guy's 1st gate lasts for 4 minutes and 15 seconds. (An Arena Match lasts for 5 minutes) Might Guy's 2nd gate lasts for 5 minutes and 58 seconds Might Guy's 3rd gate lasts for 7 minutes and 39 seconds Might Guy's 4th gate lasts for 9 minutes and 27 seconds Might Guy's 5th gate lasts for 11 minutes and 17 seconds Might Guy's 6th, 7th, and 8th gate lasts for 1 minute. Might Guy is the first ever character to go from a legendary skin to a fully playable character. While as both Ichigo Kurosaki (Hollow Mask) and Ulquiorra Cifer both had 2 modes, Might Guy has 8 modes. Even though Might Guy used to be Rock Lee (Part 1)'s Legendary Skin, they used a different face from the previous skin. Might Guy is the only character to have a skin that changes their walk/run animation. Skins Might Guy's Default skin, which is his primary appearance throughout the series.Might Guy's Second Skin, which is Might Guy with glasses, Hawaiian shirt, and a beard.Might Guy's Third Skin, which is Might Guy wearing martial artist clothingMight Guy's Fourth Skin, which is Might Guy wearing martial artist clothing, with a different design.Might Guy's Fifth Skin, which is Afro Guy, from the episode Viva Dojo Challenge! Youth Is All About Passion! (Part 1 Naruto)Might Guy's Sixth Skin, which is Might Guy during the Kazekage Rescue Mission arc.Might Guy's Eight Skin, which is Might Guy during The Last: Naruto the Movie. (Note: The wheelchair color is red, not black)Might Guy's Legendary Skin, which is him in a wig, and a Valentines Day outfit.Might Guy using the First Gate of OpeningMight Guy using the Second Gate of HealingMight Guy using the Third Gate of LifeMight Guy using the Fourth Gate of PainMight Guy using the Fifth Gate of LimitMight Guy using the Sixth Gate of ViewMight Guy using the Seventh Gate of WonderMight Guy using the Eighth Gate of Death This page will give details on each of the current 22 clans starting Stats, Skill Learners, possible Kekkei Genkai, and Items you miaaaaaaa.
